=====

As a participant in this Climate Justice Event, I commit to the following ACTIONS:

Climate Action Newbie

- Start composting
- Recycle your old electronics/fluorescent bulbs/hazardous materials with Essex County
- Use Cloth Napkins
- Reduce waste – see if you can reduce garbage by 25% - if you normally put out 2 bags per garbage pickup or 4 bags weekly, see if you can get it down to 3!(composting makes this goal much easier!!!)
- Wash clothes in cold water

Climate Action Advocate

- Meatless Monday (or increase to 2 days!)
- Walk to school/reduce local car trips
- Contact Governor Murphy/Senator Booker/Senator Menedez about your climate concerns
- Put up a clothes line and let the sun dry your clothes!
- Donate to a climate action organization, such as: GreenFaith, Natural Resources Defense Council, Environmental Defense Fund, National Wildlife Federation.

Climate Action Rock Star

- Get an energy audit on your home through PSE&G [Home Performance with Energy Star](#)
- [Divest from fossil fuels](#)
- Enroll in all renewable electricity by calling [Energy Harbor](#) (888-254-6359)
- Rent and watch [The Sacrifice Zone](#) documentary, to understand how important reducing waste is for Climate Justice AND Environmental Justice
- Start a conversation with somebody about Climate Change stressing that ***there is urgency but we have agency***

This letter will be mailed to you at a future date to remind you of the commitment to action that you have made today. *Thank you for being a part of the change our world needs!*
